BALLAD OF A BLUE MAN

INTRO: **A**

A G D A
Riding on a runaway train, the secret still unknown
A
Faces in the crowd, vision blurred
A G D A
Was a boy a day ago - man, have I grown
A
These faces in the crowd can really hurt

G D A
I'm lonely, so lonely, on the run
G D A
So lonely, so lonely, on the run

A G D A
Left my conscience down in a shabby old town
A
Where people hide their faces when they speak
A G D A
Left the day of knowing what is left and what is right
A
Forgot to remember where to seek

G D A
I'm lonely, so lonely, on the run
G D A
So lonely, so lonely, on the run

A G D A
Got a baby waiting for me down the borderline
A
Haven't slept a wink for seven days
A G D A
Got a seven sins hammering my brain
A
Got a chance out one of seven ways

G D A
I'm lonely, so lonely, on the run
G D A
So lonely, so lonely, on the run

G D A
I'm lonely, so lonely, on the run
G D A
So lonely, so lonely, on the run
