

# HALLELUJAH (TO THE BIGGEST BAND OF ALL)

**G - C G - C**

## INTRO

**G C G C**  
We were playin' our local clubs and bars. Trying hard to act like superstars.  
**G C G C**  
We had set our sights at bigger things to come.  
**G C G C**  
We were rockin' till the early mornin'. Packing up our things with new days dawnin'  
**G C Am Am/G Am/F# Am/E D**  
We just couldn't wait for bigger things to come our way one day.

**G C G C G C Am Am/G Am/F# Am/E D**  
Hallelujah - Hallelujah - Hallelujah to the biggest band of all.

**G C G C**  
Leo was a nerd so we kicked him out. Johnny played guitar but way too loud.  
**G C G C**  
We had set our sights at bigger things to come.  
**G C G C**  
Ten years on we'd been to every place. Putting on an ever braver face.  
**G C Am Am/G Am/F# Am/E D**  
Still we knew that there were bigger things to come our way one day.

**G C G C G C Am Am/G Am/F# Am/E D**

We still play our local clubs and bars. Sure we're past the age of rising stars.  
**G C G C**  
Twenty years gone, and no bigger things to come.  
**G C G C**  
We have seen a lot of come and go. We are still around but we don't know.  
**G C Am Am/G Am/F# Am/E D**  
Why those bigger things just never came our way but we don't care.
