**G Hm Am D**

Vorspiel

**G Hm Am D G**

Little country girl where do I find you ?

**Hm Am D Em**

I've been searching so long up and down the road

**G Hm Am D G**

Please give me a chance to be on your wayside

**Hm Am D Em**

And you'll see what I mean up and down my mind.

**C D G C D G**

Are you lonely when the sun is rising. Are you lonely when the sun goes down

**C D G C Cm7**

And do you maybe miss me sometimes in the night ?

**Em Hm Am Em**

Cause I've been told I've been told that your life is cold

**Em Hm Am Em**

I've been told I've been told that your life is cold

**Em Hm Am Em**

I've been told I've been told that your life is cold

**Em Hm Am Em**

I've been told I've been told that your life is cold
