

LOVE IS SO CONTAGEOUS

G Am G Am
INTRO

G Am G Am
Way past midnight and I am still awake
G Am G Am
A lonesome cowboy has been given more than he can take
G Am G Am
Caught in a cave. I can't find out no more
G Am G
Bleeding inside . And someone's knocking on my door

D C G D C G
Oh, love is so contageous. This time it's knocked me really out
Hm C G D C G
I'm dying for your love tonight. Oh, love is so contageous

G Am G Am
Stars and stripes. For the Lord and the USA
G Am G Am
Is what I remember. Just the pain won't go away
G Am G Am
There's no way you can mess it up anymore
G Am G Am
Bleeding inside. And someone's knocking on my door

D C G D C G
Oh, love is so contageous. This time it's knocked me really out
Hm C G D C G
I'm dying for your love tonight. Oh, love is so contageous
